GERMAN LANGUAGE COURSES

A1

Beginner

At the A1 Level, learners develop basic communication skills in German, enabling them to introduce themselves, ask simple questions, and handle everyday situations such as shopping, dining, and travel. They can understand and use familiar expressions when conversations are conducted clearly and at a moderate pace.

A2

Elementary

At the A2 Level, learners can communicate confidently in everyday situations and understand commonly used expressions related to family, work, shopping, and travel. They can describe their surroundings, discuss future plans, and engage in simple conversations about hobbies, vacations, entertainment, and daily life. Learners are able to handle routine tasks and interact effectively in familiar contexts.

B1

Intermediate

At the B1 Level, learners can confidently understand and communicate on familiar topics related to work, education, travel, and everyday life. They can express opinions, describe experiences and future plans, and write clear, connected texts. Learners are also able to handle most real-life situations and participate in both casual and professional conversations.

B2

Upper Intermediate

At the B2 level, learners can communicate fluently and confidently on a wide range of academic, professional, and everyday topics. They can understand complex texts, engage in detailed discussions with native speakers, and express opinions clearly while presenting arguments and evaluating different perspectives.

C1

Advanced

At the C1 level, learners can communicate fluently, accurately, and spontaneously in academic, professional, and social settings. They can understand complex texts and nuanced meanings, express ideas effectively, and produce well-structured, detailed content on a wide range of subjects. Learners can confidently adapt their language to both formal and informal situations.

C2

Proficiency

At the C2 level, learners have achieved near-native fluency and can understand virtually everything they read and hear with ease. They can communicate precisely and effortlessly in academic, professional, and social settings, expressing complex ideas with clarity and sophistication. Learners can confidently analyze, summarize, and present information from a wide range of sources.

WHY LEARN GERMAN?

1. German is the most widely spoken language in Europe.

120 million

native speakers around the globe.

3. Knowing German creates business opportunities.

Germany's economic strength equals business opportunities.

Multinational business opportunities exist throughout the European Union and in the Eastern European countries, where German is the second most spoken language after Russian.

Germany is home to globally recognized universities offering high-quality education and numerous programs with **Low or No tuition fees**.

2. Germany financially sponsors international exchanges.

Almost, **375,000** international students study at German higher education institutions. every year, out of which one-third is the Indian student population. Around **34,134 students from India** are enrolled in Germany.

4. Opportunities to Study or Work in Germany.

Germany awards a generous number of **scholarships and other support to study in Germany**. Special visas are offered to skilled workers and professionals.

**German is not as hard as you think,
so what are you waiting for?**

OUR FOUNDERS

Dr. Gargi Limaye
CEO & Founder

Dr. Gargi Limaye is an accomplished educator, entrepreneur and educational consultant with over 15+ years of experience in language education, student counselling & educational psychology. With a multidisciplinary academic background spanning from E&TC Engineering, Psychology to Finance, she brings together technology, behavioural science, and education to create student-centric learning experiences.

Under her leadership, Eduwrite has trained more than 5,000 learners and has developed a strong focus on German language, international certification preparation and study-abroad pathways.

Her professional journey began as a student counsellor, where she developed a strong understanding of academic planning & career development. Over the years, she has held leadership roles in education & academic operations, including faculty development, institutional management. In 2013, she founded Eduwrite with a vision to make language learning more structured, accessible, engaging & aligned with global education requirements.

Anup Pohare brings in together leadership, technology, and a strong passion for education and global learning. As an engineer with 12 years of leadership experience in the IT industry, he brings a strategic and technology-driven perspective to Eduwrite's growth.

He focuses on expanding its digital presence and building opportunities across India and international markets. He actively explores new collaborations, clients, and strategic opportunities that can strengthen Eduwrite's reach and create greater value for students.

He works closely with the staff to drive institutional growth, develop new initiatives & enhance the overall student experience. He believes that AI and emerging digital solutions, when paired with meaningful educational guidance, can make learning more accessible, personalized, efficient & impactful.
